(a) The decision is to establish or adjust assessments, taxes, fees, charges, or rates or other similar decisions which are applied on a proportional basis on the official's economic interest and on a significant segment of the jurisdiction, as defined in 2 Cal. Code of Regulations, section 18707.1(b).

(b) The decision is made by the governing board of a landowner voting district and affects the official's economic interests and ten percent of the landowners or water users subject to the jurisdiction of the district in proportion to their real property interests or by the same percentage or on an "across-the-board" basis for all classes.

(c) The decision is made by the governing board of a water, irrigation, or similar district to establish or adjust assessments, taxes, fees, charges, or rates or other similar decisions, such as the allocation of services, which are applied on a proportional or "across-the-board" basis on the official's economic interests and ten percent of the property owners or other persons receiving services from the official's agency.
